PEASES CANDY, for the cure of coughs, colds, and restricted the control of the cure of the

tion in the stomach, liver, fungs, spine and kidneysto purify the blood and other fluids, by expelling every
particle of morbid matter from the system, and therefore never fails (with its accompaniments) to prove a
valuable remedy for the diseases for which calomel
has been invariably used. Old sores and ulcers, or
any chronic affection; and for the calomel disease, it
is an infallible remedy.

This remedy is perfectly vegetable, mild, agreeable
and safe for persons of any age, either sex, or in any
condition; acknowledged by those who have tried it
to be the best known family medicine.

The justly celebrated tincture creates a craving appetite, and the patient is left at liberty to indulge it,—
indeed he is particularly requested to do so. The use
of this medicine will change the complexion from a
pallid to a fine blooming one. After using this Tineture for six weeks, a person of any age may eat any
thing that a child of ten years of age, in full health,
could eat, without the least inconvenience.

Persons afflicted with any of the complaints above
enumerated, are earnesdy enterated not to left the prejudice commonly entertained against a new remedy,
prevent them from realizing the benefits to be derived
from its use. A single bottle, which may be had for
\$\frac{2}{3}\$ 50, will produce a conviction of its superior efficacy in the mind of the most skeptical.

A large number of certificates, from Lexington,
Ky., and many more, taken in Alexandria, D. C.,
published in handbill form, all testifying its efficacy,
may be seen on application to the proprietor at his office, east side 8th street, five doors above Riley's corner, Pennsylvania avenue, Washington, D. C.

FARM FOR SALE.

THE Subscriber offers for sale his farm at Belission to the Prince George's county, Md., consisting of about TWO HUNDRED AND SEVENTY-FIVE ACRES. It is situated on the Baltimore and Washington railroad, at the Beltsville depot, twelve miles (an half hour's ride) from the latter place, and therefore convenient to this market. It consists of woodland, incadow, and upland, the latter capable of producing and is now bearing excellent crops of corn and tobacco, and the meadow, in good seasons, producing 50 to 60 tons of hay. The farm is well supplied with water, and has upon it a house and barn. The railroad divides the meadow from the upland.

I will sell also my stock upon it, consisting of horses, cattle, Berkshire hogs, &c.
